SUGGESTED USE:

Create several lists of prayer subjects (see reverse). Use those lists to fill in the blanks under days of the week (this page). You may prefer to pray for the entire list for a given subject on one day, or you may want to spread the list out over the week. For instance, if the subject is the missionaries supported by your church, you could pray for all of them on Sunday, or pray for one on Sunday, another on Monday, etc.

Sample lists:

- My Family
- My Friends
- Missionaries
- Unsaved Friends
- My Church Leaders
- My Areas For Growth
- Government Leaders
- Difficult Relationships
- My Small Group
- Special Requests
- Church Outreach, Needs
